

We need to raise £2,500,000 this year....
that's £6,849 each day, £285 every hour!

For a family visiting Derian House for the first time, the prospect of a children's hospice gives rise to an immense feeling of apprehension.

From a parent's perspective, that apprehension is mixed with the fear and confusion that goes with being told that their child may not survive an illness which they had every hope of overcoming – an illness which has taken over, not only the life of their child, but of their family.

Derian House is a purpose built children's hospice with nine beds for children and young people up to the age of 18 years, and a newly completed four bed extension, Derian Lodge which is for young adults aged 16 – 25.

At Derian House we offer professional care, practical help and emotional support to the whole family. Whether in the hospice through short planned stays, or in the family home with the backing and encouragement of our Hospice at Home Team, the support we provide is driven entirely by the family's needs and wishes.

The care and support Derian House provides is completely free to families throughout the North West region. Yet, sadly, we receive only limited funding from health and local authority agencies towards our annual running costs, which currently stand in excess of £2.5 million. That's why the backing of our local community is crucial, helping us provide the vital care and support that families desperately need.

And that's why we're offering you a new and exciting way to help us raise the funds we need a choice of two Derian House Lotteries in association with Bolton Wanderers Football Club. Now you can contribute to Derian House AND have the opportunity of winning up to £5,000 in the Goldline Draw, or £7,500 in the Lifeline Draw so with your help, we can all be winners!

If you would like to join our lottery, and help Derian House at the same time, please complete one (or both) of the attached application forms, along with the standing order form, and return it to the Promoter. You will be sent your membership card(s) with your draw numbers, further information and details of where you can check the results each week. Not only that, but Derian House will receive a donation from Bolton Wanderers of 70% of your weekly subscription.

By joining our Lottery, you'll be helping us make the most of every moment for the children of Derian House..... together we can make a difference!
